David Fairchild has sent this article and photos of a famous Haddenham resident.

My name is Pintpot and I am 6 years old on the 27th of March. At the moment I am in my winter quarters watching my 15 wives [through a fence] who are about to have my offspring. So far I have 53. Come early April I will go with my wives. I am looking forward to seeing you all later this year in Fairchild's Meadows. Love Pintpot.

PS I was called Halfpint when I was young but now I weigh nearly a ton they changed my name to Pintpot!
