Electoral Registration forms are being delivered over the next few weeks to homes throughout the District. It is important that these forms are filled out and returned immediately as the register will enable you to use your right to vote. If you are not on the Electoral Register you may be refused credit.

Please use our secure internet web site, free phone number or send us a text message using our SMS service if the details on the form are correct. Please check your form for details of these.

Alternatively use the prepaid envelope provided to return your form.

If occupants' details need to be changed, simply cross out the old information and enter the correct details. Please remember to include 17 year olds, as they should also be added to the form. All the instructions for completing the form are printed on the reverse side. Please also use the prepaid envelope if the details on the form need changing.

The forms have a section that those who are not eligible to vote must complete, as it is vital to receive a response from each household.

If we do not receive a response from each household then a canvasser may call to obtain this information, canvassers are due in the area between 4th October to 1st November.

If you are moving before 15th October you should leave the form for the next occupants to complete. If you will be in residence at the property on the 15th October but are moving after that date, you should still complete the form at your current address, then contact local electoral services office to register once you have moved.

If you have not received a form by 11th September or if you have any queries that are not answered on the form please contact the electoral services department at The Grange, Nutholt Lane, Ely, on 01353 665555
