

- E. Environmental Overview Group:** The next meeting is due to be held in February.
- F. Road Safety:** The next meeting is due to be held in February.
- G. Street Lighting:** Cllr Smith reported that he was in possession of an e-mail from Amey (contractors for UKPN) regarding a light in Froize End. They admit that they were responsible for the damage to the old one, and it was felt that they should be invoiced for the cost of its replacement, which is now in place and working.

Further to the BB proposals outlined this evening, it was felt that we should monitor their activities closely, particularly in the area of The Green. BB are aware that this is in the Conservation Area.

Various other minor faults have been reported throughout the village and these are awaiting attention by our contractor.

- H. Aldreth Village Centre:** No meeting held.
- I. Arkenstall Village Centre:** Their meeting on 20th January had discussed the issue of slow invoicing, which impacts upon cash flow. The report to the Charity Commission had been submitted. The pantomime had been judged a success.
- J. Haddenham Library:** Nothing to report.
- K. Haddenham Youth Club:** No report had been submitted. However, there is a proposal to replace the fixed youth provision with a mobile bus, which would attend on a weekly basis. See Item 17.
- L. Guppy's Pond:** Next meeting is planned for the 22nd January.
- M. Recreation Group:** The next meeting will take place in February.
Cllr Parr has chased up Kestrel Fencing, who have been given an order to repair the damaged boards on the MUGA. It is expected that these will be attended to over the next week. The report for the Recreation Centre charity has also been submitted to the Charity Commission.
- N. Fairchilds Meadows:** Nothing to report.

12. ELECTIONS TO COMMITTEES & WORKING PARTIES

Cllr Bayes expressed an interest in joining the Environmental Overview Group, the Road Safety Group and the summer Planning Committee. Cllr Parr proposed and Cllr G Wilson seconded this motion, which was carried unanimously.

13. COMMUNITY INFRASTRUCTURE LEVY

A discussion took place around the contents of an e-mail from ECDC dated 18th December 2014, regarding consultation on additional capital projects to be funded from CIL monies.

It was agreed that the smaller projects on the ECDC R123 list Parts 1 & 2 were acceptable.

For Part 3 – Major and Strategic Projects, it was agreed that we should encourage ECDC to add two projects

- Full traffic lights at Haddenham cross-roads. Proposed by Cllr G Wilson, seconded by Cllr Parr and ^{was} carried unanimously
- New roundabout at Witcham Toll junction. Proposed by Cllr Hugo, seconded by Cllr Parr and carried unanimously.
