

## 5. PUBLIC PARTICIPATION

A resident at the Pumping Station wished to raise issues with the fen road from Aldreth round to Hillrow and the appalling state it is in. He has been unable to use his car on the road for at least two weeks and is worried that emergency vehicles would not be able to access the properties along the road. The Clerk will pass this on to County Highways and copy Cllr Hunt in on any correspondence.

## 6. ACCOUNTS

The following accounts were submitted for authorisation:
