

Easter, May & August Bank Holiday Waste Collections ...

We can't do it without you!

East Cambridgeshire District Council

...in East Cambridgeshire

There will be **NO** changes to collection days.

Waste & recycling collections will take place as normal on Easter, May & August Bank Holidays. Please put your materials out for collection by 7am on your normal collection day even if it falls on a Bank Holiday.

Need an extra bin for garden waste collections?

In response to requests for extra garden waste capacity, additional bins are being made available in return for payment of an annual licence fee, currently £48. To gauge interest 500 bins are initially available on a first come first serve basis, but the number will be increased if necessary.

Paid for bins will be identified by brown lids and licence stickers that will change each year. The existing restriction of 1 bin per property will otherwise remain.

Information about this offer is on the Council's web site at www.eastcambs.gov.uk. To subscribe to this service please telephone 01353 665555

Please help us to recycle as much as possible of your waste

	Paper 	Cans, Foil & aerosols 	Food & drink cartons
	Plastic bottles, pots, tubs & trays 	Glass bottles & jars 	Cardboard
